WHO WE ARE

Can you imagine living in dire poverty, being addicted, or afflicted with AIDS? Chances are, if that were you, you would be glad for a helping hand and some relief. The Relief Bus has operated as a mobile resource center for over 20 years. We serve the homeless, destitute, substance abuser, unemployed, and anyone in need in metro NYC.

The Relief Bus consists of two school buses which are customized to serve delicious soup and fresh bread out of the serving window. In the front of the buses are our counseling/ referral offices which connect those in need to vital resources such as shelter, food, job training, detox, and drug or alcohol rehabilitation.
